

CSC FOCUS GROUPS WITH RABBI LAIBSON RESUME

In recent months, Rabbi Laibson has met with many congregants to develop a sense of our diverse membership's hopes and expectations for the future. Using an educational values clarification exercise, participants have been able to indicate what their priorities are for the years ahead.

While these get-togethers have been very informative, more input is necessary in order to establish a broad based picture of our growing synagogue's needs. Therefore, three additional focus groups have been scheduled, all to be held at the synagogue. We strongly encourage anyone who has not as yet attended a focus group to come to one of these three. Please call Carol at the CSC office (562-429-0715) to let us know which one you plan to attend.

The Focus Groups will be held on:

Sunday, May 6, from 2:00—3:30 p.m.
Thursday, May 10, from 7:00—8:30 p.m.
Thursday, May 31, from 7:00—8:30 p.m.

If none of these dates will enable you to participate, please call us and let us know what alternatives you prefer. Thank you.
